## Test Introduction: Desktop View

## Test - Adult: Desktop View

A screenshot of a desktop browser window showing the first step of the Asthma Control Test. The title "Asthma Control Test" is at the top left. Below it, a horizontal navigation bar shows "TEST" followed by five steps: Step 1, Step 2, Step 3, Step 4, and Step 5. Step 1 is highlighted. The main question is: "1. In the past 4 weeks, how much of the time did your asthma keep you from getting as much done at work, school or at home?". Below the question is a radio button group: "All of the time" (unchecked), "Most of the time" (checked), "Some of the time" (unchecked), "A little of the time" (unchecked), and "None of the time" (unchecked). A "RATE : 2" button is below the radio buttons. Navigation buttons "PREVIOUS" and "NEXT" are at the bottom.

A screenshot of a desktop browser window showing the second step of the Asthma Control Test. The title "Asthma Control Test" is at the top left. Below it, a horizontal navigation bar shows "TEST" followed by five steps: Step 1, Step 2, Step 3, Step 4, and Step 5. Step 2 is highlighted. The main question is: "2. During the past 4 weeks, how often have you had shortness of breath?". Below the question is a radio button group: "More than once a day" (unchecked), "Once a day" (unchecked), "3 to 6 times a week" (unchecked), "Once or twice a week" (unchecked), and "Not at all" (unchecked). A "RATE : 2" button is below the radio buttons. Navigation buttons "PREVIOUS" and "NEXT" are at the bottom.

## Test - Adult: Desktop View

A screenshot of a desktop web browser showing the fourth step of the Asthma Control Test. The title "Asthma Control Test" is at the top left. Below it, a navigation bar shows "TEST" followed by five steps: Step 1, Step 2, Step 3, Step 4 (which is highlighted), and Step 5. The main content area contains the question:

3. During the past 4 weeks, how often did your asthma symptoms (wheezing, coughing, shortness of breath, chest tightness or pain) wake you up at night or earlier than usual in the morning?

Below the question is a horizontal row of five radio buttons with corresponding options: "4 or more nights a week", "2 or 3 nights a week", "Once a week", "Once or twice", and "Not at all".

At the bottom center is a "RATE:" button with the value "2". Navigation buttons "PREVIOUS" and "NEXT" are at the bottom left and right respectively.

A screenshot of a desktop web browser showing the fifth step of the Asthma Control Test. The title "Asthma Control Test" is at the top left. Below it, a navigation bar shows "TEST" followed by five steps: Step 1, Step 2, Step 3, Step 4, and Step 5 (which is highlighted). The main content area contains the question:

4. During the past 4 weeks, how often have you used your rescue inhaler or nebulizer medication (such as albuterol)?

Below the question is a horizontal row of five radio buttons with corresponding options: "3 or more times per day", "1 or 2 times per day", "2 or 3 times per week", "Once a week or less", and "Not at all".

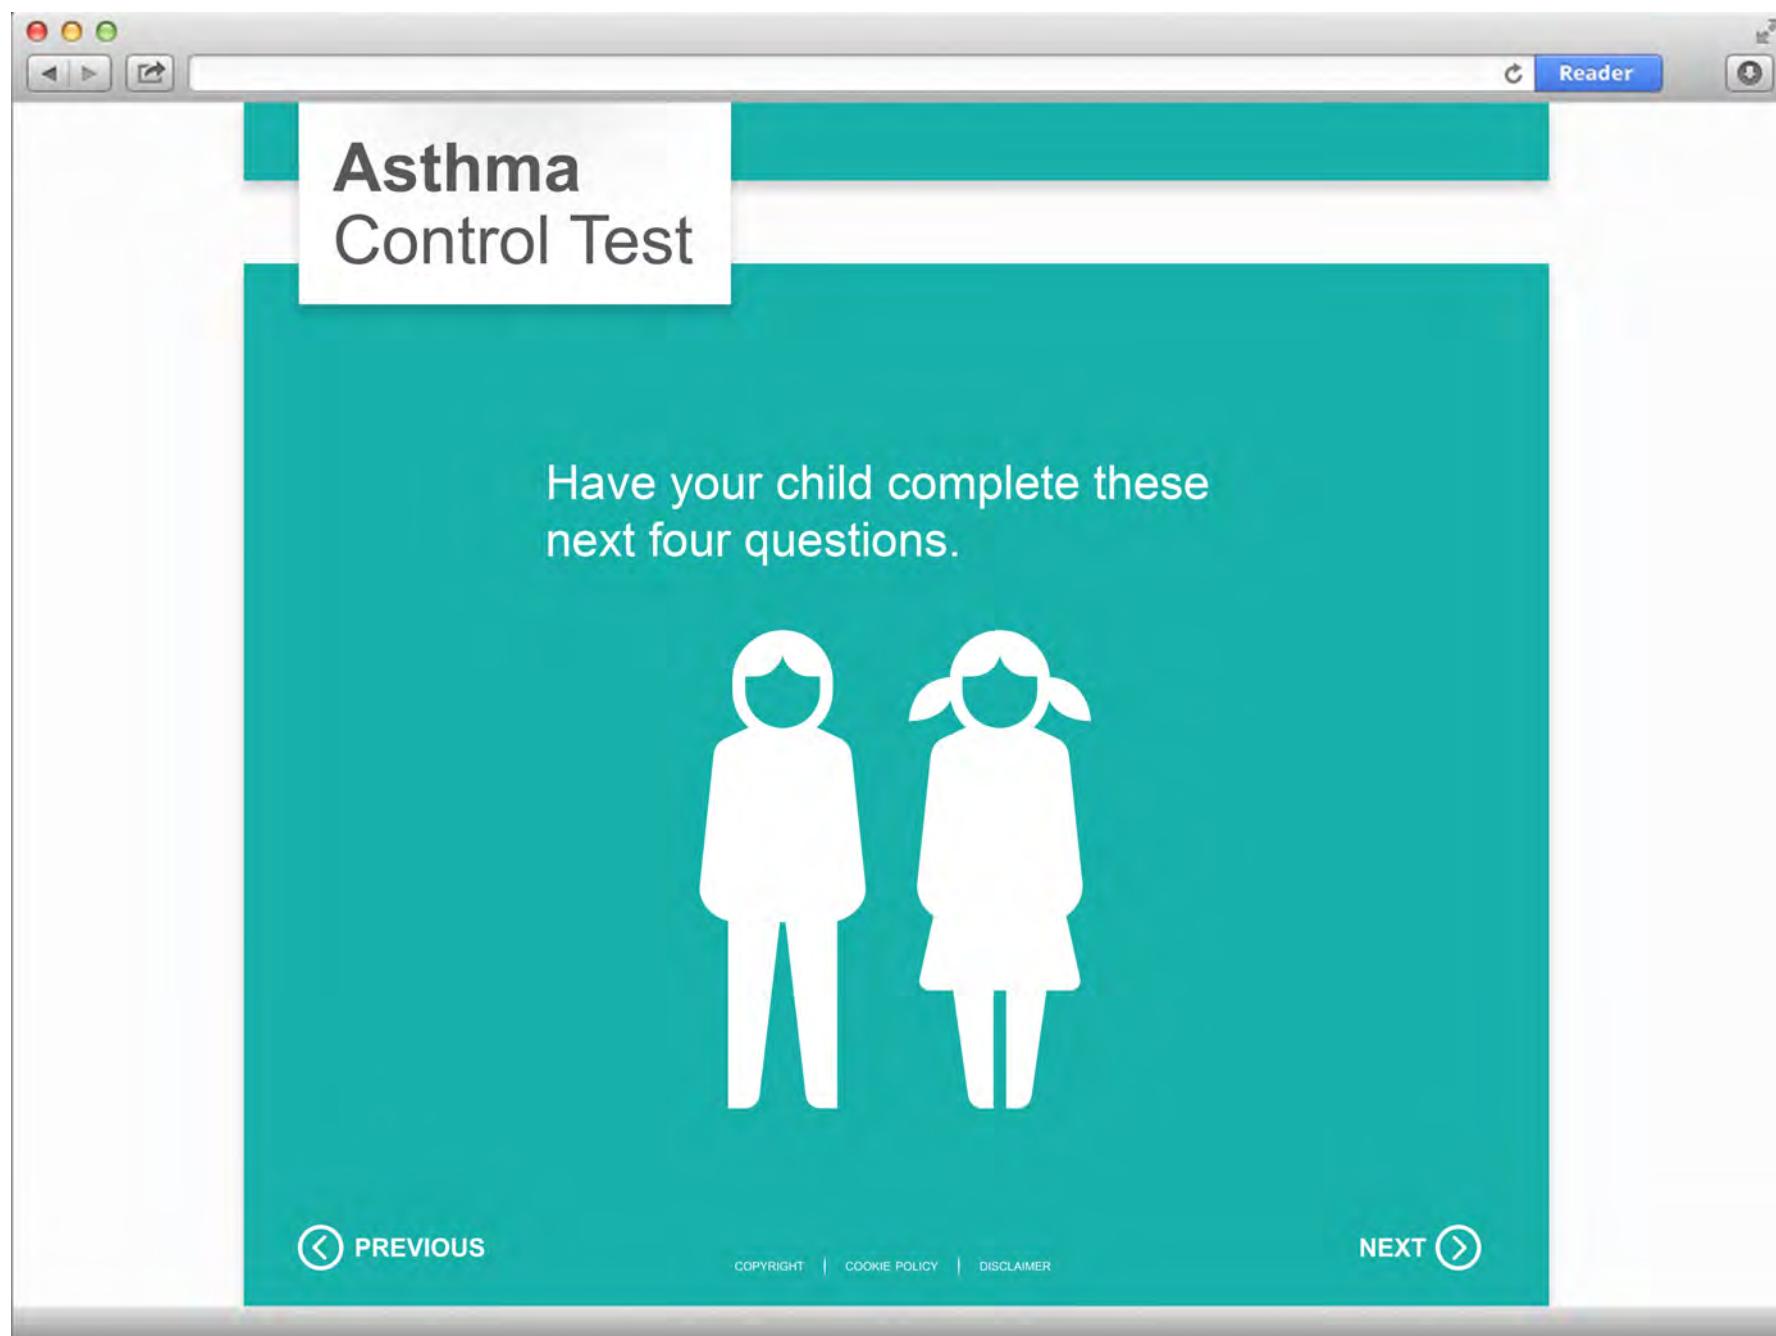

At the bottom center is a "RATE:" button with the value "2". Navigation buttons "PREVIOUS" and "NEXT" are at the bottom left and right respectively.

## Test - Adult: Desktop View

A screenshot of a desktop web browser showing the fifth step of the Asthma Control Test. The page has a teal header with the title "Asthma Control Test". Below the header is a navigation bar labeled "TEST" with five tabs: "Step 1", "Step 2", "Step 3", "Step 4", and "Step 5", where "Step 5" is highlighted. The main content area contains the question "5. How would you rate your asthma control during the past 4 weeks?". Below the question is a horizontal row of five radio buttons with labels: "Not controlled at all", "Poorly controlled", "Somewhat controlled", "Well controlled", and "Completely controlled". At the bottom of the page are two buttons: "TOTAL SCORE >" and "RATE : 2". Navigation links "PREVIOUS" and "NEXT" are at the very bottom.

A screenshot of a desktop web browser showing the fifth step of the Asthma Control Test. The layout is identical to the first screenshot, but a cursor is hovering over the "TOTAL SCORE >" button, indicating it is the next action to be taken.

## Test - Child Prompt: Desktop View

## Test - Child: Desktop View

The screenshot shows the first step of the Asthma Control Test. The title "Asthma Control Test" is at the top left. Below it, a navigation bar shows "TEST" and steps "Step 1 Step 2 Step 3 Step 4". A large question box contains "1. How is your asthma today?" with four smiley face icons ranging from sad to happy. Below each icon is a radio button labeled "Very bad", "Bad", "Good", and "Very good". A "RATE:" field shows "2". Navigation buttons "PREVIOUS" and "NEXT" are at the bottom.

Asthma Control Test

TEST Step 1 Step 2 Step 3 Step 4

1. How is your asthma today?

Very bad  Bad  Good  Very good

RATE: 2

PREVIOUS NEXT

The screenshot shows the second step of the Asthma Control Test. The title "Asthma Control Test" is at the top left. Below it, a navigation bar shows "TEST" and steps "Step 1 Step 2 Step 3 Step 4". A large question box contains "2. How much of a problem is your asthma when you run, exercise or play sports?" with four smiley face icons. Below each icon is a radio button labeled "It's a big problem, I can't do what I want to do.", "It's a problem and I don't like it.", "It's a little problem but it's okay.", and "It's not a problem.". A "RATE:" field shows "2". Navigation buttons "PREVIOUS" and "NEXT" are at the bottom.

Asthma Control Test

TEST Step 1 Step 2 Step 3 Step 4

2. How much of a problem is your asthma when you run, exercise or play sports?

It's a big problem, I can't do what I want to do.  It's a problem and I don't like it.  It's a little problem but it's okay.  It's not a problem.

## Test - Child: Desktop View

A screenshot of a desktop web browser showing the third step of the Asthma Control Test for children. The page has a teal header with the title "Asthma Control Test". Below the header, a navigation bar shows "TEST" followed by four steps: Step 1, Step 2, Step 3 (highlighted in blue), and Step 4. The main content area contains the question "3. Do you cough because of your asthma?" followed by four emoji faces representing increasing levels of distress. Below each emoji is a radio button and a response option: "Yes, all of the time" (radio button), "Yes, most of the time" (radio button checked), "Yes, some of the time" (radio button), and "No, none of the time" (radio button). At the bottom right of the content area, there is a "RATE : 2" button. Navigation buttons "PREVIOUS" and "NEXT" are at the bottom left and right respectively.

A screenshot of a desktop web browser showing the fourth step of the Asthma Control Test for children. The layout is identical to the previous step, with a teal header, a navigation bar showing "TEST" and steps 1-4, and a main content area asking "4. Do you wake up during the night because of your asthma?". It features four emoji faces and radio button responses. A "RATE : 2" button is at the bottom right. Navigation buttons "PREVIOUS" and "NEXT" are at the bottom left and right respectively.

## Test - Child - Parent Prompt: Desktop View

## Test - Child - Parent: Desktop View

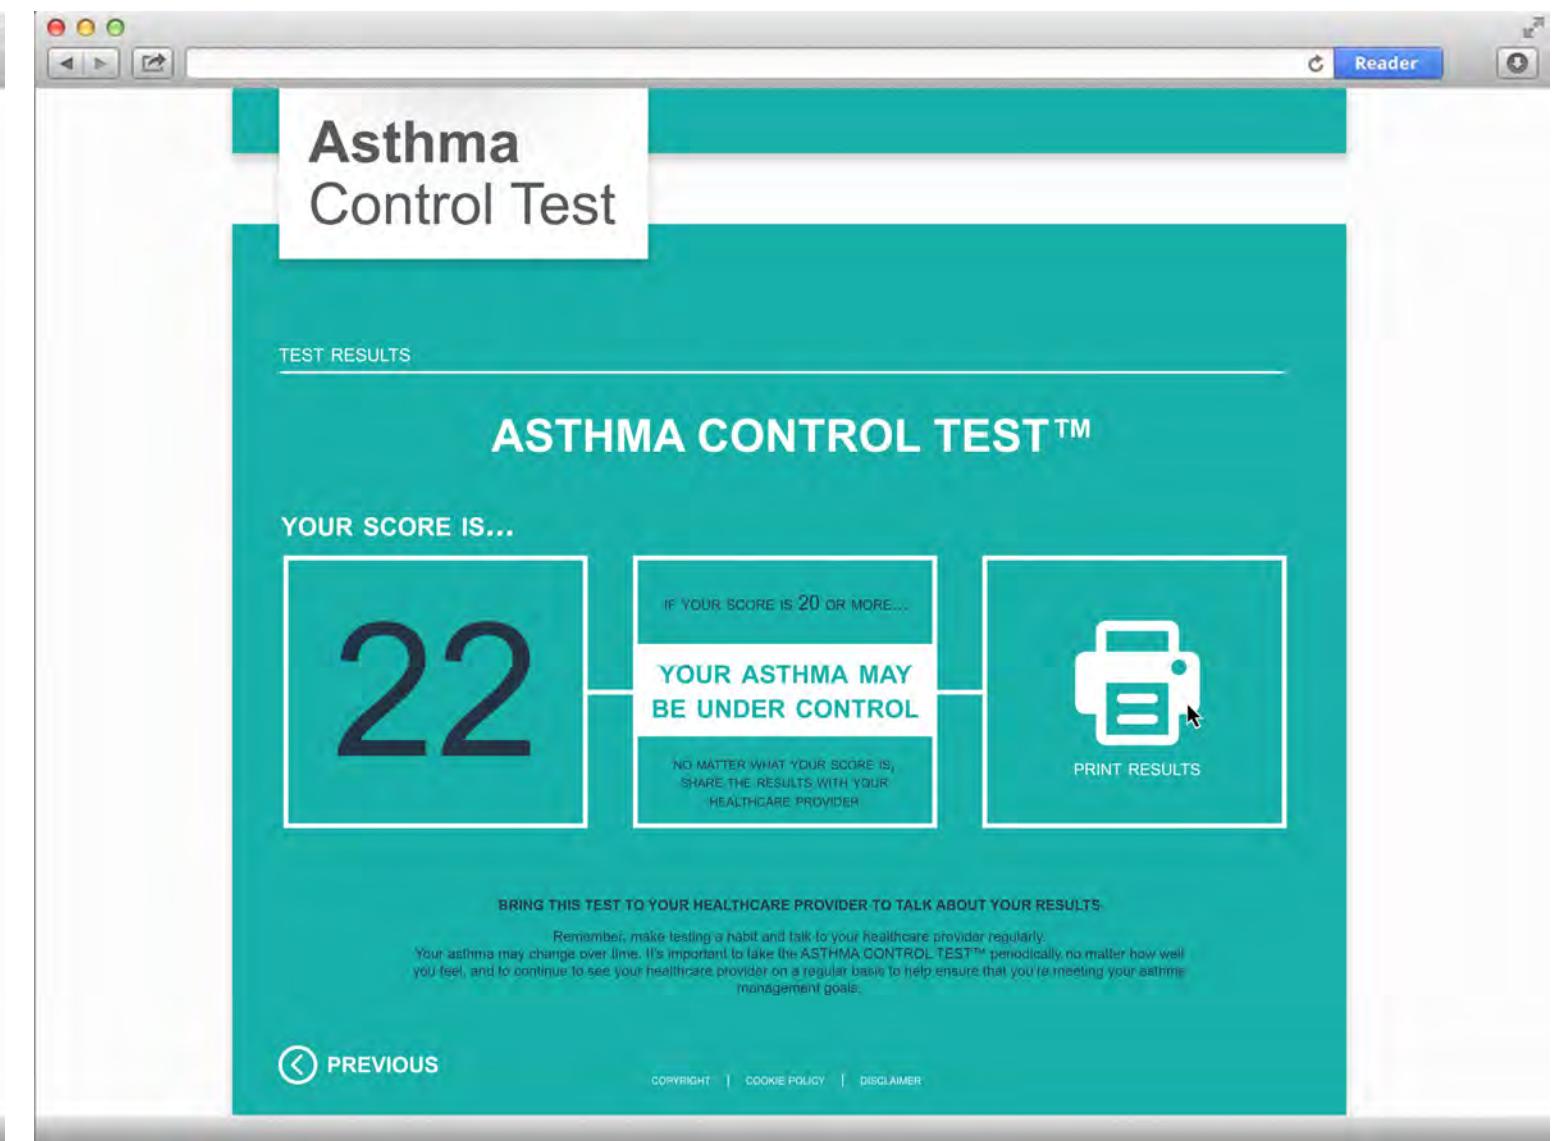

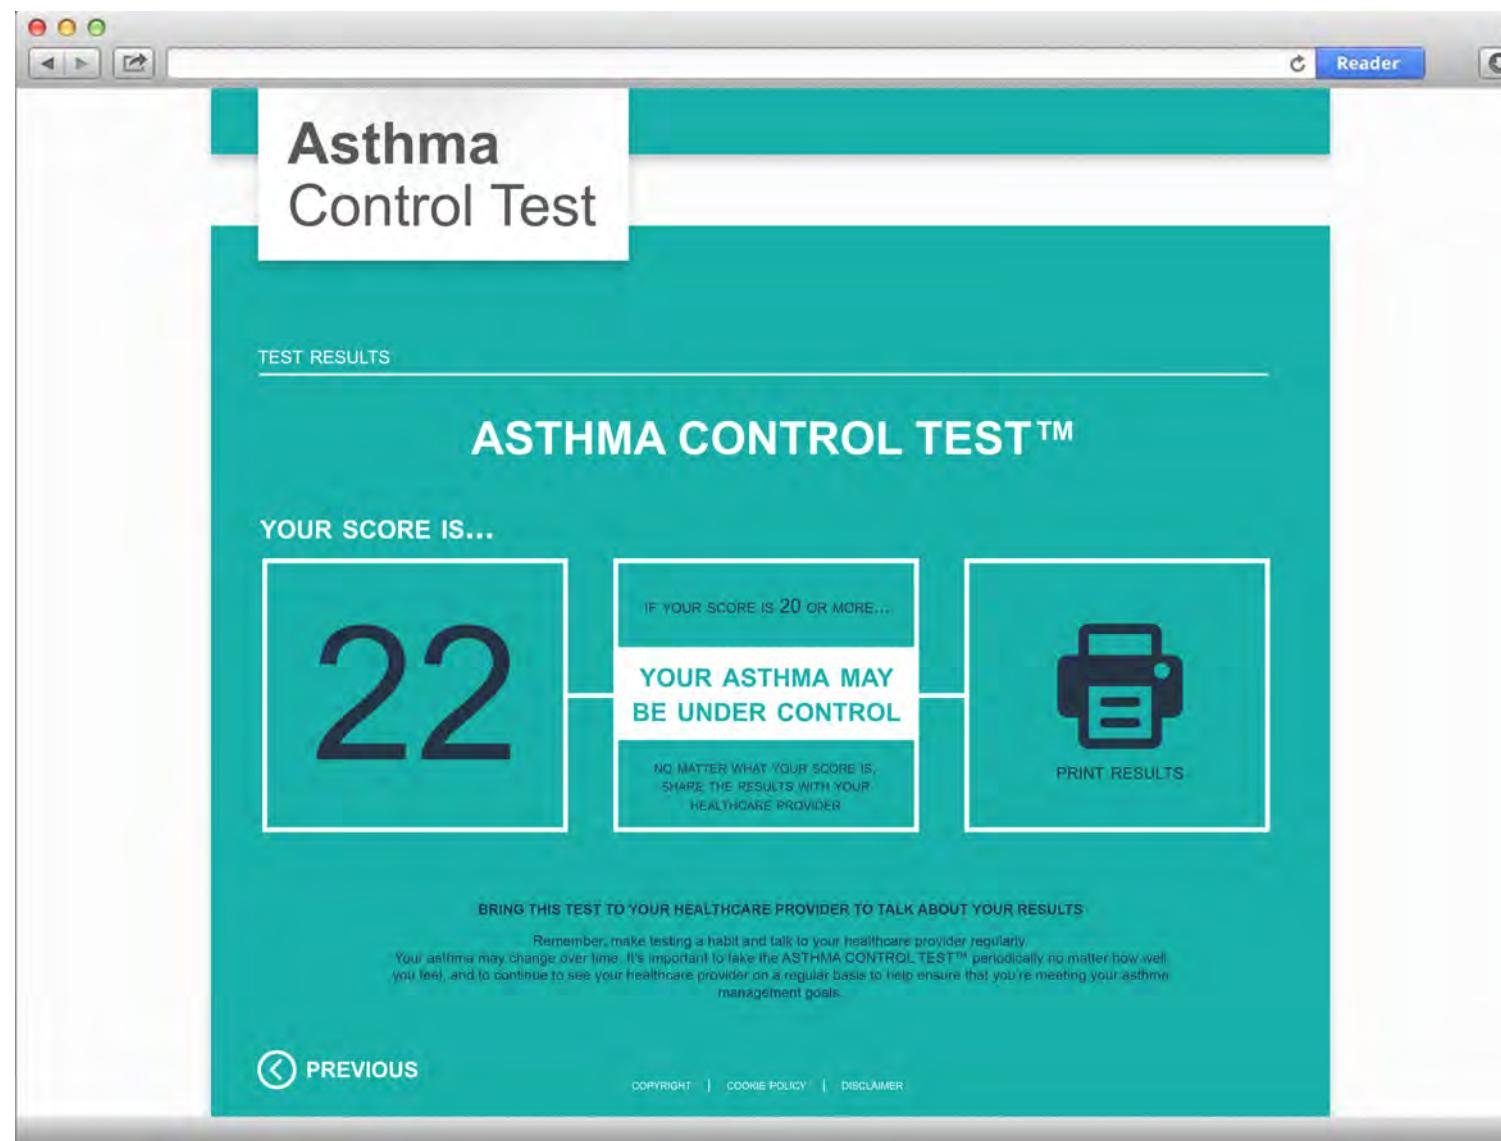

A screenshot of a desktop web browser showing the second step of the Asthma Control Test for children. The page has a teal header with the title "Asthma Control Test". Below the header, a navigation bar shows "TEST" and three steps: "Step 1" (highlighted), "Step 2", and "Step 3". The main content area contains question 5: "5. During the last 4 weeks, how many days did your child have any daytime asthma symptoms?". Below the question are five radio button options: "Not at all" (unchecked), "1-3 days" (checked), "4-10 days" (unchecked), "11-18 days" (unchecked), "19-24 days" (unchecked), and "Everyday" (unchecked). A "RATE : 2" button is located below the radio buttons. Navigation buttons "PREVIOUS" and "NEXT" are at the bottom.

A screenshot of a desktop web browser showing the third step of the Asthma Control Test for children. The page has a teal header with the title "Asthma Control Test". Below the header, a navigation bar shows "TEST" and three steps: "Step 1", "Step 2" (highlighted), and "Step 3". The main content area contains question 6: "6. During the last 4 weeks, how many days did your child wheeze during the day because of asthma?". Below the question are five radio button options: "Not at all" (unchecked), "1-3 days" (checked), "4-10 days" (unchecked), "11-18 days" (unchecked), "19-24 days" (unchecked), and "Everyday" (unchecked). A "RATE : 2" button is located below the radio buttons. Navigation buttons "PREVIOUS" and "NEXT" are at the bottom.

## Test - Child - Parent: Desktop View

The screenshot shows a desktop browser window displaying the 'Asthma Control Test' website. The interface is designed for a child's parent to respond. At the top, there's a navigation bar with icons for back, forward, search, and a 'Reader' mode button. The main title 'Asthma Control Test' is displayed in a large, bold font. Below the title, a progress bar indicates 'Step 1 / Step 2 / Step 3'. The main content area contains a question: '7. During the last 4 weeks, how many days did your child wake up during the night because of asthma?'. Below the question is a horizontal list of response options: 'Not at all' (radio button), '1-3 days' (radio button, selected), '4-10 days' (radio button), '11-18 days' (radio button), '19-24 days' (radio button), and 'Everyday' (radio button). At the bottom of the page, there are navigation links for 'TOTAL SCORE >', 'RATE : 2', 'PREVIOUS', and footer links for 'COPYRIGHT', 'COOKIE POLICY', and 'DISCLAIMER'.
