## Test Introduction: Desktop View

The screenshot shows a desktop browser window displaying the 'Asthma Control Test' website. The browser interface includes standard controls like back, forward, and search at the top, along with a 'Reader' mode button and a download icon.

The main content area has a teal header with the text 'Asthma Control Test'. Below this, a teal sidebar on the left contains the text 'TEST INTRODUCTION' and a large teal section on the right contains the following content:

**ASTHMA CONTROL TEST™**

The ASTHMA CONTROL TEST™ is a way to help you and your healthcare provider determine if your asthma symptoms are well controlled. Answer the 5 questions below, print out the results, and then share them with your healthcare provider.

If you are 12 years or older, this short test will provide a score that you should share with your healthcare provider to help assess if your asthma symptoms are well controlled. The Childhood Asthma Control Test\* is designed for children 4-11 years old. Take the Childhood Asthma Control Test along with your child and share the results with your child's healthcare provider.

Your answers to these questions are not saved on asthma.com. Only you can have access to your answers. If you wish, you can print the test and fill it out.

At the bottom of the teal section, there is a circular 'NEXT' button with a right-pointing arrow, a 'PREVIOUS' button with a left-pointing arrow, and links for 'COPYRIGHT', 'COOKIE POLICY', and 'DISCLAIMER'.

## Test - Adult: Desktop View

A screenshot of a desktop browser showing the first step of the Asthma Control Test. The page has a teal header with the title "Asthma Control Test". Below the header is a navigation bar with tabs: "TEST" (highlighted), "Step 1", "Step 2", "Step 3", "Step 4", and "Step 5". The main content area contains the question: "1. In the past 4 weeks, how much of the time did your asthma keep you from getting as much done at work, school or at home?". Below the question is a horizontal row of five radio buttons labeled: "All of the time", "Most of the time", "Some of the time", "A little of the time", and "None of the time". The third button, "Some of the time", is selected. At the bottom right of the content area is a "RATE : 2" button. Navigation buttons "PREVIOUS" and "NEXT" are at the bottom.

A screenshot of a desktop browser showing the second step of the Asthma Control Test. The layout is identical to the first step, with a teal header, "TEST" tab, and the question: "2. During the past 4 weeks, how often have you had shortness of breath?". Below the question is a horizontal row of five radio buttons labeled: "More than once a day", "Once a day", "3 to 6 times a week", "Once or twice a week", and "Not at all". The first button, "More than once a day", is selected. At the bottom right of the content area is a "RATE : 2" button. Navigation buttons "PREVIOUS" and "NEXT" are at the bottom.

## Test - Adult: Desktop View

A screenshot of a desktop web browser showing the third step of an asthma control test. The page has a teal header with the title 'Asthma Control Test'. Below the header, a navigation bar shows 'TEST' followed by five steps: Step 1, Step 2, Step 3, Step 4, and Step 5. Step 3 is highlighted. The main content area contains a question: '3. During the past 4 weeks, how often did your asthma symptoms (wheezing, coughing, shortness of breath, chest tightness or pain) wake you up at night or earlier than usual in the morning?'. Below the question is a horizontal row of five radio buttons with corresponding options: '4 or more nights a week', '2 or 3 nights a week', 'Once a week', 'Once or twice', and 'Not at all'. A 'RATE:' button with the value '2' is located below the radio buttons. Navigation buttons 'PREVIOUS' and 'NEXT' are at the bottom.

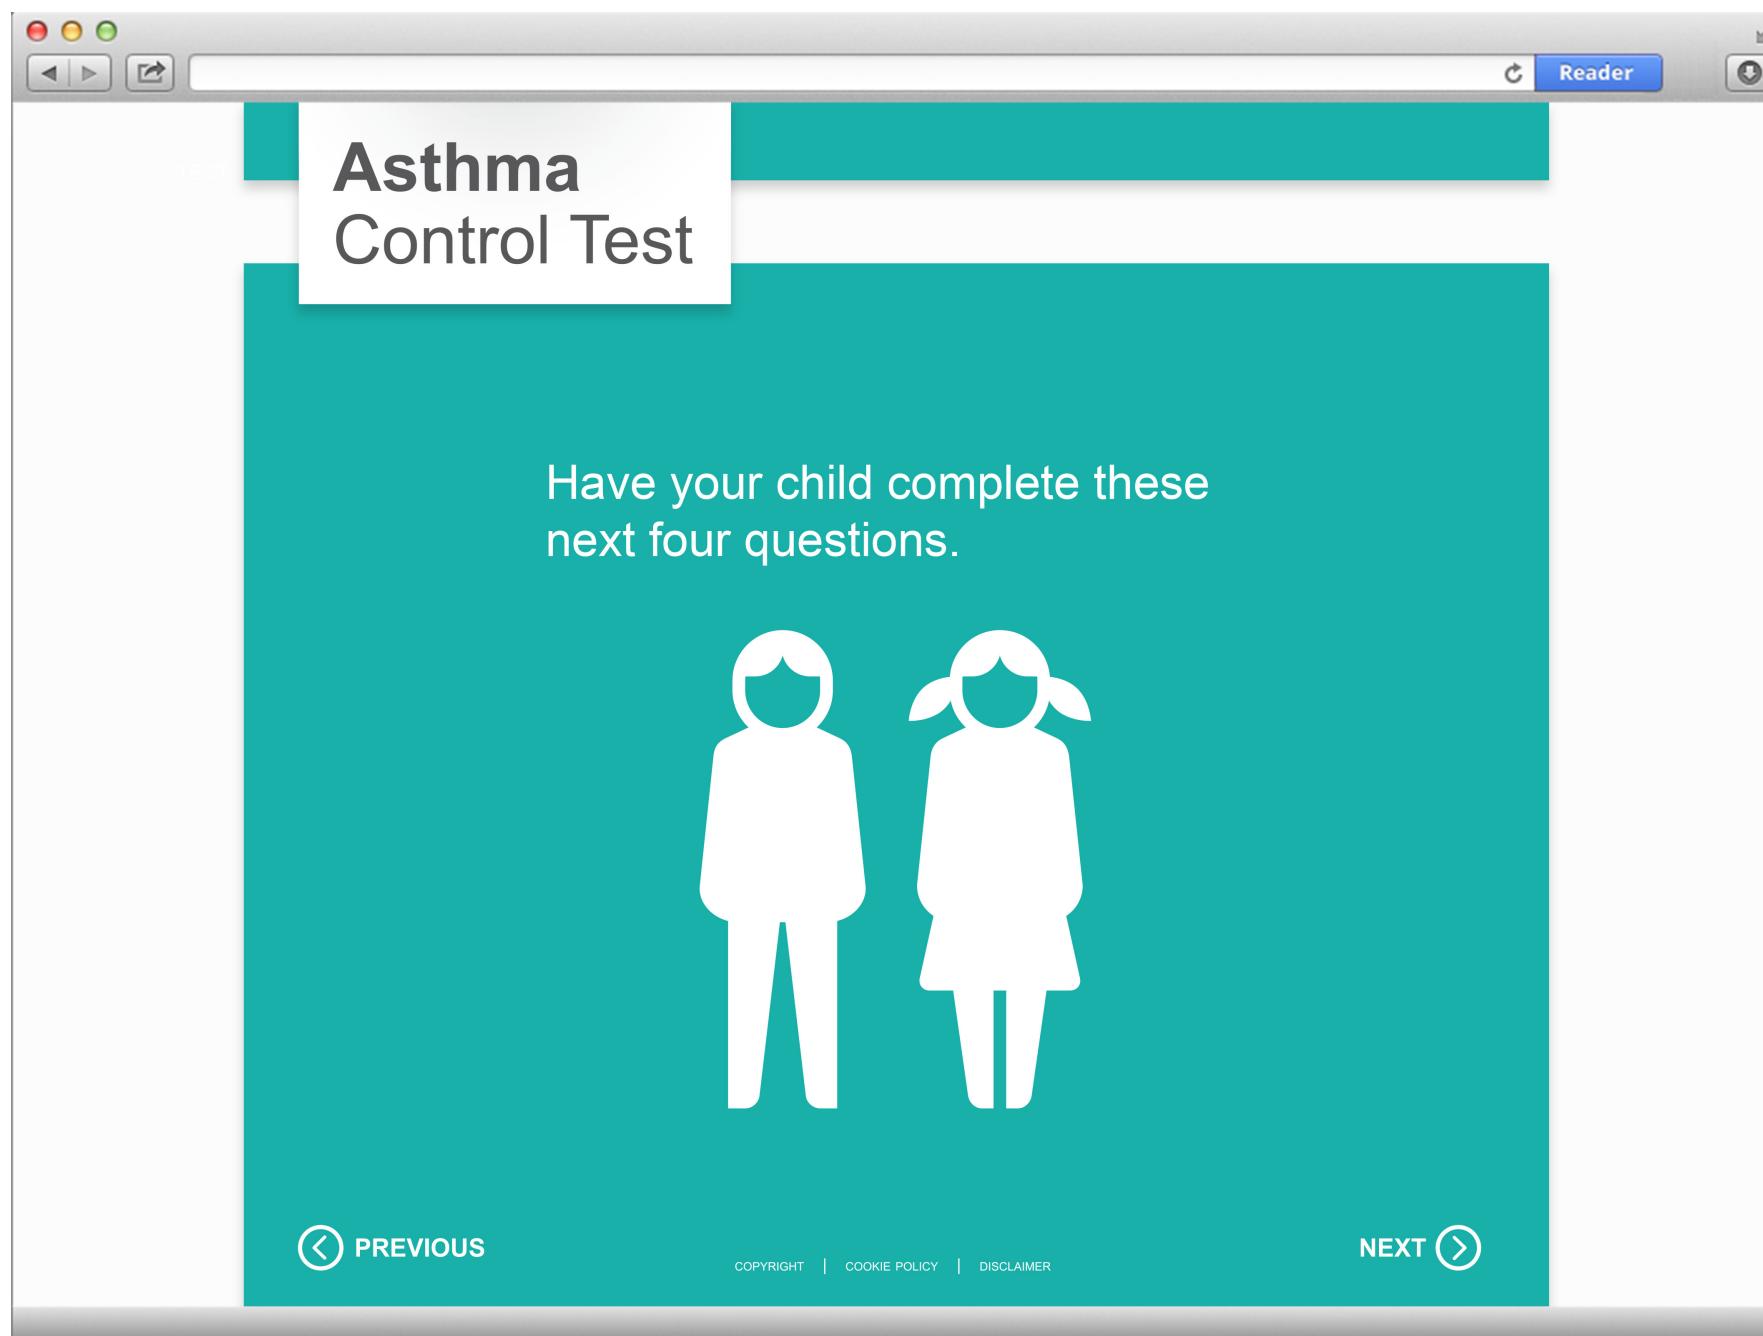

A screenshot of a desktop web browser showing the fourth step of an asthma control test. The layout is identical to the previous step, with a teal header, a five-step navigation bar where Step 4 is highlighted, and a question about rescue inhaler use. The question is: '4. During the past 4 weeks, how often have you used your rescue inhaler or nebulizer medication (such as albuterol)?'. Below the question are five radio buttons with options: '3 or more times per day', '1 or 2 times per day', '2 or 3 times per week', 'Once a week or less', and 'Not at all'. A 'RATE:' button with the value '2' is located below the radio buttons. Navigation buttons 'PREVIOUS' and 'NEXT' are at the bottom.

## Test - Adult: Desktop View

A screenshot of a desktop web browser showing the fifth step of the Asthma Control Test. The page has a teal header with the title "Asthma Control Test". Below the header is a navigation bar labeled "TEST" with five tabs: "Step 1", "Step 2", "Step 3", "Step 4", and "Step 5". The "Step 5" tab is highlighted. The main content area contains the question "5. How would you rate your asthma control during the past 4 weeks?". Below the question is a horizontal row of five radio buttons for rating: "Not controlled at all", "Poorly controlled", "Somewhat controlled", "Well controlled", and "Completely controlled". The "Somewhat controlled" option is selected. At the bottom of the page are two buttons: "TOTAL SCORE >" and "RATE : 2". Navigation links "PREVIOUS" and "NEXT" are at the very bottom.

A screenshot of a desktop web browser showing the fifth step of the Asthma Control Test. The page layout is identical to the first screenshot, featuring a teal header, a "TEST" navigation bar with "Step 5" active, and a central question and rating section. The "TOTAL SCORE >" button at the bottom left is now highlighted with a cursor, indicating it is being interacted with. The rest of the page remains static.

## Test - Child Prompt: Desktop View

## Test - Child: Desktop View

The screenshot shows the first step of the Asthma Control Test. The title "Asthma Control Test" is at the top left. Below it, a navigation bar shows "TEST" and four steps: Step 1, Step 2, Step 3, and Step 4. Step 2 is highlighted. The main question is "1. How is your asthma today?". Below the question are four smiley face icons representing different levels of asthma control. Under each icon is a radio button and a label: "Very bad" (radio button), "Bad" (radio button), "Good" (radio button), and "Very good" (radio button). The "Bad" radio button is selected. A "RATE : 2" button is at the bottom right. Navigation buttons "PREVIOUS" and "NEXT" are at the bottom.

The screenshot shows the second step of the Asthma Control Test. The title "Asthma Control Test" is at the top left. Below it, a navigation bar shows "TEST" and four steps: Step 1, Step 2, Step 3, and Step 4. Step 2 is highlighted. The main question is "2. How much of a problem is your asthma when you run, exercise or play sports?". Below the question are four smiley face icons representing different levels of asthma impact. Under each icon is a radio button and a label: "It's a big problem, I can't do what I want to do." (radio button), "It's a problem and I don't like it." (radio button), "It's a little problem but it's okay." (radio button), and "It's not a problem." (radio button). The "It's a problem and I don't like it." radio button is selected. A "RATE : 2" button is at the bottom right. Navigation buttons "PREVIOUS" and "NEXT" are at the bottom.

## Test - Child: Desktop View

A screenshot of a desktop web browser showing the third step of the Asthma Control Test for children. The page has a teal header with the title "Asthma Control Test". Below the header, a navigation bar shows "TEST" followed by four steps: Step 1, Step 2, Step 3 (which is highlighted), and Step 4. The main content area contains the question "3. Do you cough because of your asthma?" followed by four emoji faces representing different levels of coughing severity. Below each emoji is a radio button and a corresponding response option: "Yes, all of the time", "Yes, most of the time", "Yes, some of the time", and "No, none of the time". A "RATE :" field shows a value of "2". Navigation buttons "PREVIOUS" and "NEXT" are at the bottom.

3. Do you cough because of your asthma?

Yes, all of the time  Yes, most of the time  Yes, some of the time  No, none of the time

RATE : 2
